

REMARKS

1. The limitations of claims 3 and 11 is incorporated into claim 1 for consistency with claims 14 and 16, and to reduce the search burden in Examining all claims.

2. The "(1)" and "(2)" have been introduced into claim 1 since the restriction misinterpreted the claim. Since the restriction misinterpreted the claim. We have also clarified that the amount is pharmaceutically effective, and dealt with the lack of antecedent basis for "individual".

3. Claims "11-16", as presented September 24, 2001, have been renumbered as 12-17 in view of original claim 11.

4. A typo in claim 12 has been corrected.

Respectfully submitted,
